

PREGNANCY AND BIRTH CENTER

Virtual Informational Session and Tour

Time: 6 pm - 7 pm

When: Thursdays

Location: Your home, with internet capabilities to download and use the Zoom application.

These informational sessions will familiarize expectant parents with the Pregnancy and Birth Center. They will help you understand the rules and regulations of the hospital, and allow time for Q+A in a group setting.

The most current information about your stay will be provided at each informational session. Those with later due dates may benefit from a session closer to your due date.

Registration is required. To see the current education calendar and register, please visit **MiddlesexHealth.org/PregnancyCalendar**.

Click on the Informational Session & Tour icon, choose a date, and register.

Our nurse navigator will send you a Zoom invitation email with instructions, two days prior to the meeting.
