### Join us!

Connect with Middlesex County community leaders for a day of networking, great food and 18 holes of golf. Your support this year will help the Hospice Golf Tournament build on its lifetime achievement of raising over \$1.2 million.

### Middlesex Health Hospice Program

Middlesex Health Hospice Program cares for patients who face life-limiting illnesses and their families. More than nursing care, the program focuses on emotional and spiritual support, as well as managing pain and symptoms. Our community recognizes the importance of the program and has generously supported the Hospice Golf Tournament hosted by the Portland Golf Course since 1987.

### Sponsorship

As a sponsor, you receive recognition and promotion within the community, while ensuring the overall success of the event. Sponsorship investment levels range from \$100 - \$5,000. Please see next page for more details.
