Middlesex Health Hospice Golf Tournament

Tuesday, September 14, 2021

Portland Golf Course Portland, Connecticut

Middlesex Health relies on donations from the community and fundraising events like the annual Hospice Golf Tournament to support its highly regarded Hospice Program.

For 35 years, a group of Middlesex County business leaders have organized this tournament to benefit the Hospice Endowment Fund. Since 1987, over \$900,000 has been raised for Hospice.

This year our goal is to reach a lifetime total of \$1,000,000!

Middlesex Health Hospice Program

Since the Middlesex Health Hospice Program began, it has been committed to preserving the dignity, integrity and personal choices of patients at the end of life. Most hospice patients are cared for in their own homes, where they want to be.

In addition, Middlesex Health's Hospice Program offers short-term care to patients who may need help with pain, symptom control, and care in the Hospital's Comfort Care Unit.
